Baked Goods

St. Joachim Sunday in the Country is famous for its' bakers that provide the gourmet baked goodies in our bakery booth each year. We have never failed to have a complete sell out. Last year the ladies served up over \$2,000 worth of sweets. Please deliver your donations of baked goods to the hall kitchen on Saturday, April 30th, from ten to three or when you arrive for the event on the morning of the fundraiser. Please use disposable pans or plates, covered with foil or wrap and best not to cut it up as the ladies in the booth will take care of everything. There are sign up forms in the vestibule.

Get Your Brunch Tickets Today Prices will increase soon

Brunch tickets are still available at the discounted price of \$15. This special price applies to advance ticket purchases prior to April 26th and will increase to \$20 after that date. Pick up your tickets at the front of the church. Tickets may also be purchased at the church office during regular business hours, by phone at 727-3912 or online at mam@softcom.net. Volunteer sign up

If you were unable to sign up last weekend at our volunteer sign up, many workers are still needed. The signup forms are at the ticket sales table in front of the church. Any time after this weekend, you may email Barbara Canepa, mam@softcom.net, to find out where we still need workers and to sign up. Thanks for your support.
